

REACH CERTIFICATE OF CONFORMITY

STYLECOW LEATHER SL COMPANY, with CIF B98916554 certifies compliance with the regulation (CE) N° 1907/2006 of the European comission, regarding the registration, Evaluation and Authorization of REACH chemical products, in the articles that we supply.

STYLECOW LEATHER SL COMPANY ,according to the REACH Regulation it is a "downstream user" and, as such, it is not subject to the Pre-registration and Registration processes, but rather to ensure that our product suppliers comply with REACH obligations.

In this sense, we have addressed our suppliers with the desire to be able to have the data that allows the traceability of REACH compliance of all the substances or preparations that they use in the manufacture of the articles that they supply us.

For all these reasons, and based on the information provided by our suppliers, **the company STYLECOW LEATHER SL, certifies that the supplied items do not contain** substances included in the Candidate List of Substances of Concern published by the European Chemicals Agency in concentrations greater than 0.1%.

Do not doubt that we will regularly follow the evolution of the substances that are incorporated in the future to the Candidate List of Substances of Concern, in order to update the information and make the pertinent communications to our customers.
